Despite some negative experiences with drinks delivery, salad preparation, and cutlery quality, the overall consensus is that this Pret A Manger location offers typical delicious food at good prices. Friendly and helpful staff are a highlight, with David singled out for fantastic customer service. The spacious venue can get crowded, but the general atmosphere is positive. However, issues like locked toilets and a member of staff asking patrons to leave prematurely could use improvement. All in all, this Pret in St Albans is a solid spot for grabbing a quick, tasty meal while out and about.
