TARBOUSH is a fully licensed Arabic Mediterranean Cafe Restaurant that brings the magic of the ancient world to the Middle Eastern region. Our menu is inspired by countries like Syria, Lebanon, Cyprus, Egypt, Morocco, Turkey, and Greece. Enjoy a diverse selection of light and refreshing bites, as well as traditional charcoal BBQ dishes. Sit in our spacious outdoor garden alongside a water fountain, and relax with a fruit flavored Shisha water pipe. Let the sweet scents of rose, lemon, and strawberry transport you to the Mediterranean while you unwind in our covered garden.
