Zizzi in Edinburgh offers a charming Italian dining experience with delicious food and friendly service. Despite some slow service at times, the atmosphere is lively and eclectic. The location provides beautiful views for an enjoyable meal. The menu features authentic Italian cuisine, with highlights such as caramelized onion goat cheese pizza and flavorful garlic bread. While some reviewers had minor issues with service, overall, Zizzi is a great spot for a casual meal with friends or a romantic evening out. Don't miss out on their student discount and make sure to snag a table by the window for a stunning view of the city.
