Etch offers a dining experience filled with exceptional food and impeccable service. The menu, with options like the 8-course tasting menu, is well thought out and perfectly executed. The atmosphere is professional yet friendly. The staff is knowledgeable and accommodating. The wine pairings are fantastic. The kitchen is an active and creative space. The modern decor adds to the overall appeal. With delicious dishes like the Scallop Mussel and creative twists like the Marmite-glazed brioche, Etch never fails to impress. A must-visit for foodies looking for an extraordinary dining experience.
