Here you will find the [menu](#) of **Modern China** in Rotherham. At the moment, there are **16** dishes and drinks on the list. Modern China offers a diverse menu and pleasant ambiance, with highlights including a well-received buffet and set meal options that deliver good value. However, service inconsistencies and food quality issues dampen the experience. Diners report long waits for meals and a lack of professionalism from staff, with some complaints about overcooked dishes and disappointing portion sizes. While the restaurant garners praise for cleanliness and friendly service, the overall consensus suggests a need for improvement in both management and food quality. For those seeking a reliable dining experience, caution is advised before visiting.
